Welcome to Dorms & Digs

DESIGNING THE FUTURE OF STUDENT LIVING .

At Dorms & Digs, we believe great spaces inspire great minds. Our furniture is designed around the real needs of today's students — durable, flexible, and built to look good for years to come.

With deep experience across the PBSA sector, we create environments where students can live comfortably, study productively, and feel at home. Every piece is British-made, thoughtfully crafted, and built to last.

From smart, multifunctional study setups to fully bespoke bedroom solutions, our collections are designed to work hard and look great — whatever your vision.

What you see in this brochure is just the start — let's bring your next project to life.

Academia Luxe Bedroom Collection

Sophisticated, streamlined, and built to impress — our high-end bedroom range sets a new standard for premium living. Every element of this collection reflects a commitment to quality, comfort, and elevated style. Constructed with robust 18mm MFC board and finished with precision 2mm edging, the materials are selected not just for durability, but for their flawless, scratch-resistant finish that stands the test of time.

Full door fronts on the wardrobe, desk, and bedside units create a cohesive, refined look. Handleless, soft-close doors and drawers introduce a tactile, seamless experience — luxury you can feel in everyday use.

The ottoman bed lifts with ease, revealing full-width under-bed storage — perfect for keeping your space clutter-free. Paired with handleless, soft-close drawers and bedside units, the range delivers a seamless, modern look that feels as good as it functions.
